## BUDGET HIGHLIGHTS

### Total Spending Plan

Ashford's proposed total spending plan for FY 2021-2022 is \$15,991,914.

#### *Increase/Decrease*

#### *As compared to FY 20-21*

<b>General Fund (Operating) Budget</b>	<b>\$15,036,869</b>	<b>(\$70,138)</b>	<b>0.47%</b>	<b>Decrease</b>
<i>General Government</i>	\$3,524,795	\$88,213	2.57%	<i>Increase</i>
<i>Ashford Board of Education</i>	\$8,000,602	\$231,709	2.98%	<i>Increase</i>

<b>Capital Improvements Budget</b>	<b>\$955,045</b>	<b>\$440,795</b>	<b>85.71%</b>	<b>Increase</b>
<b>Total Spending Plan</b>	<b>\$15,991,914</b>	<b>\$370,657</b>	<b>2.38%</b>	<b>Increase</b>

## Mill Rates

Currently FY 20-21, Ashford's real estate, personal property and motor vehicle mill rate is 36.836, with a mill valued at \$299,482. The proposed Ashford FY 2021-2022 town budget mill rate would be 36.369 mills, a decrease of 0.467 mills with one mill realizing \$301,877 in revenue based on the 2020 grand list. This means that taxes for a home valued at \$200,000 and assessed at \$140,000 (70% of its value) would be \$65.24 lower than last year. A motor vehicle worth \$10,000 would see a decrease of \$4.67.

The **\*\*2021-2022 Ashford Property Tax Estimator\*\*** will be available under [Budget Information 2021-2022](#) on the Town website at [www.ashfordtownhall.org](http://www.ashfordtownhall.org) to help you determine what your tax bill would be based on the proposed mill rate.

## General Government **\$3,524,795**

The Board of Selectmen presented to the BOF on March 4th, a budget request increase of \$88,213 (2.57%) from the FY 20-21 budget.

The BOS FY 21-22 proposed budget increases are mainly attributable to:

- General wage and benefit increases
- Transfer station costs, the town pays per ton to dispose of refuse and recyclables

## Ashford Board of Education (BOE) **\$8,000,602**

The Board of Education presented to the BOF on February 25, a budget request increase of \$231,709 (2.98%) above the FY 20-21 budget.

The BOE FY 21-22 proposed budget increases are mainly attributable to:

- Certified, non-certified staff and paraprofessional contractual salary increases
- Employee Medical and Life Insurance

Copies of the Board of Education detailed [budget](#) are available on the Ashford School's website.

## Regional School District-19 Board of Education **\$3,511,472 (Ashford Share)**

The budget proposed by the Region-19 School Superintendent and subsequently reduced by Region-19's Finance Committee is \$22,322,252, with Ashford's share projected to be reduced by \$390,060 (-10%) from FY 20-21. The referendum for Region 19 would have been held Tuesday May 4th, 2021. Reminder: each town is responsible for a proportionate share based on their sending student population, which is set every October 1st. **Ashford is reaping good financial fortune this budget cycle with a reduction of student enrollment as compared to our tri-town partners. The Board of Finance wants everyone to be aware that in the following budget cycle, FY 22-23, our student population is projected to return to its historically proportionate position. This means that even with a zero increase in Region-19 expenses Ashford residents will need to anticipate an increase expenditure to cover our share of the Region-19 budget.**

## Capital Improvements

**\$955,045**

The Capital Improvement Projects budget has no impact on the proposed 2021-2022 mill rate. State, LOCIP and Town Aid Road grants totaling \$197,308 will be used to offset primarily DPW capital expenses. A \$275,000 CT Grant from DECD will be used to offset the cost of the Cadlerock property remediation. There is a STEAP grant of \$125,000 for the Pompey Hollow Park repair project. Ashford School's Unexpended Fund will contribute \$62,000 toward the repairs to heating system as well as Roof replacement planning. The remaining \$295,737 of capital improvements will be funded by the Town's Capital Non-Recurring (CNR) Fund.

The proposed Capital Improvement Projects plan for 2021-2022 are described in the *Five Year Capital Improvement Program 2021-2022* section of this package.

## Revenues

Non-property Town and State General Fund revenues for FY 21-22 are anticipated to be \$4,073,746.

## **General Fund – Unassigned Fund Balance**

Revenues the Town receives are captured in the General Fund. Revenues not designated for a specific purpose are considered Unassigned (uncommitted).

The June 30, 2020 audited Unassigned Fund balance was \$1,959,623, which is 13.99.% of the total General Fund budget basis expenditures. A healthy Unassigned Fund balance is generally 10-15% of a town's Operating Budget.

As stated in ***Ashford Financial Management Goals***, which are in keeping with auditor recommendations and are included in Moody's assessment of the Town's credit worthiness, we do not use the Unassigned Fund balance to offset Ashford's annual operating budget (decrease the mill rate); to do so would have an inherently destabilizing impact on current and future operating budgets.

The Board of Finance

- Maintains an Unassigned Fund balance of approximately 10% of the current year Operating budget to:
  - Ensure adequate cash flow during the fiscal year
  - Prevent the demand for short-term borrowing in the event of an emergency or if state revenues are lower than expected during the fiscal year. Note, Ashford's budget is decided prior to state budget finalization
- Transfers the Unassigned Fund amount in excess of 10% to the Capital Non-Recurring Fund, which is only used for large, one-time capital purchases (e.g., school bus) and projects (e.g., road resurfacing). This prevents large fluctuations in the mill rate from year-to-year for municipal purchases and improvements.

## **Capital Non-Recurring (CNR) Fund**

The June 30, 2020 audited CNR Fund balance was \$640,726. FY 21-22, the Capital Projects Five Year Plan anticipates utilizing \$295,737 of CNR toward suggested funding. On February 11, 2021 the Board of Finance made a transfer of \$367,638 from the Unassigned Fund Balance to the CNR Fund for future road and town property repairs, school safety, buses and trucks, and other capital municipal needs. Review the projects listed in the ***5 Year Local Capital Improvement Plan*** section of this budget package to see what projects were approved by the BOF.

## **TOWN OF ASHFORD FINANCIAL MANAGEMENT POLICY**

The Board of Finance has developed the following to aid current and future board members in planning, monitoring and communicating to the community the Town's approach to financial management. This policy will be periodically reviewed to keep it current.

### **FINANCIAL REPORTING PERFORMANCE**

- The Town will adhere to full and open disclosure of all financial activity.
- Records will be maintained on a basis consistent with accepted municipal accounting standards.
- The Comprehensive Annual Financial Report will be prepared in conformity with generally accepted governmental accounting principles and financial reporting practices.
- An independent public accounting firm will be employed to perform an annual audit of all Funds, Authorities, Agencies and Grant Programs, and the annual audited report will be made available to the general public, bond and financial consultants, and other interested citizens and organizations. The audit will be completed and submitted to the Board of Finance within one hundred seventy-five (175) days of the close of the Town's fiscal year.
- 501(c)3 organizations that use funds provided by the Town must report how those funds were used to the Board of Finance on an annual basis.

### **FUND BALANCE**

- The goal is to preserve the Town of Ashford's financial stability and maintain the Town's credit worthiness while ensuring a positive cash flow in the event of temporary revenue shortfalls and/or unanticipated major expenditures.
- The goal is to not use the undesignated fund balance for operating expenses, as this practice has an inherently destabilizing impact on current and future operating budgets.
- A year-to-year carryover fund balance will be maintained in an amount necessary for adequate cash flow and to prevent the demand for short-term borrowing. The undesignated fund balance should be approximately ten to fifteen (10-15) percent of the general fund operating budget.
- Fund balance in excess of the goal shall be transferred to the CNR Fund and used for one-time expenditures.
- Government Accounting Standards Board (GASB) fund classifications and hierarchies will be used for fund balance reporting.

### **CAPITAL IMPROVEMENTS PERFORMANCE**

- Capital improvements will be based on long-range projected needs in order to minimize future maintenance, replacement and capital costs.
- All capital improvements should be made in accordance with the Town's five-year capital improvement program. The capital improvement program shall be revisited annually.

**TOWN OF ASHFORD  
FINANCIAL MANAGEMENT POLICY**

- The five-year capital improvement plan will be coordinated with the operating budget in order to maintain a reasonably stable total tax levy.
- Unanticipated capital improvements will be funded from CNR to the extent available.
- Before submission to the Board of Finance, the Board of Selectmen will identify the estimated cost and potential funding sources for each capital project proposed. Future operating costs associated with a proposed capital improvement will be evaluated before a decision is made to implement a project.
- Federal, State and other intergovernmental and private funding sources will be sought out and used as available to assist in financing capital improvements.

**INVESTMENT PERFORMANCE**

- A cash flow analysis of all funds will be developed on a regular basis. Collections, deposits and disbursement of all funds will be scheduled in a way as to ensure maximum cash availability.
- Where permitted by law, cash from separate funds and sources will be pooled to maximize investment yields. Interest will be credited to the General Fund except where prohibited by law or where the source of the cash is from an individual or corporation to insure performance.
- Investment policy will be consistent with State law and will provide for security of principal as well as needed liquidity.

**DEBT PERFORMANCE**

- Long-term debt will be limited to those capital improvements that should not be financed from current revenues.
- The maturity date for any debt will not exceed the reasonably expected useful life of the project so financed.
- The total direct general obligation debt will not exceed statutory limits.
- The issuance of Bond, Tax and revenue Anticipation Notes will be avoided.
- An official statement will be prepared to be used in connection with all sales of bonds and notes.
- Good relations will be maintained with financial and bond rating agencies and a policy of full and open disclosure on every financial report and bond prospectus will be followed.

**OPERATING EXPENDITURES PERFORMANCE**

- The Board of Finance will propose, and the Town Meeting will adopt and maintain a balanced budget in which expenditures will not be allowed to exceed reasonable estimated resources and revenues.
- All current operation and maintenance expenses will be paid from the current revenue sources.

**TOWN OF ASHFORD  
FINANCIAL MANAGEMENT POLICY**

- The operating budget will provide for the adequate maintenance of capital assets and equipment.
- The budget will provide for adequate funding of all employee benefit programs and retirement systems.
- A budgetary control system will be maintained to enable adherence to the adopted budget. This will include a record keeping system to be adhered to by all programs and activities receiving annual town budget appropriations.
- A system of regular monthly financial reports comparing actual revenues and expenditures to be budgeted amounts will be prepared and maintained.
- An effective risk management program to minimize loss and reduce costs will be developed and implemented. The Board of Selectmen will ensure that adequate insurance programs are in place, including unemployment and worker's compensation insurance.
- Delivery of services by other public and private organizations will be encouraged whenever and wherever greater efficiency and effectiveness can be expected. Technology and productivity advancements that will help reduce or avoid increasing personnel costs as a proportion of the total budget, to use available resources more productively and creatively, and to avoid duplication of effort and resources.
- A Reserve Fund for Capital and Nonrecurring Expenditures will be maintained and will be adequately funded each year by a transfer from the General Fund Budget and by unanticipated one-time revenues.

**REVENUE PERFORMANCE**

- A diversified and stable revenue system will be maintained as protection from short-run fluctuations.
- Annual revenues will be estimated based on an objective and reasonable basis. The Board of Finance will project revenues annually during the budget cycle.
- Special Revenue Funds are used to account and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specific purposes other than debt service or capital projects.
  - One-time or special purpose revenues will only be used for capital expenditures or for expenditures required by the revenue (grants) and not to subsidize recurring personnel, operation or maintenance costs.
  - The creation of any new special revenue fund must be approved by the Board of Finance.
  - The purpose of the special revenue fund, and which revenues and other sources for the fund must be formally documented.
- All user charges and fees will be periodically re-evaluated at a level related to the cost of providing the services.
- Appropriate expansion and diversification of the tax base will be encouraged, and additional Federal and State revenues will be sought in order to reduce the reliance on the property tax due to its effect on individual homeowners.

## ASHFORD BOARD OF FINANCE BUDGET POLICIES

1. Formal budgetary integration is employed by the Board of Finance as a management control device during the year for the General Fund and the Capital Projects Fund, which are the only funds with a legally adopted annual budget.   - b. Information on amounts of revenue in the last completed fiscal year, and estimates for the current and ensuing year;
  - c. And such other information as will assist the Board of Finance and the Town Meeting in deciding on an annual appropriation.
5. On **March 23, 2021**, the Region 19 Board of Education shall hold a Public Hearing to present the Superintendent's proposed budget. On **March 30, 2021** the Region 19 Board of Education shall adopt a finalized budget, which shall be presented at the Region 19 Annual Budget Meeting on **May 3, 2021**.
6. The Ashford Board of Finance shall approve a proposed budget for presentation to the Town at Public Hearing. This will include General Government, Ashford Board of Education, Ashford Capital Improvement Plan and Region 19 Board of Education budget plans.
7. The Board of Finance shall hold at least one Public Hearing on the budget. A Public Hearing for the 2021-2022 budget shall be scheduled for **April 26, 2021**. Following the Public Hearing, the Board of Finance shall review the recommendations and adopt a proposed budget, including a recommended appropriation, which shall be published in the Ashford Citizen or a newspaper in general circulation in the Town at least five days prior to the annual Town Meeting for budget consideration.
8. The Annual Town Budget Meeting shall be held on **May 11, 2021**. This meeting shall consider the budget presented by the Board of Finance and may approve or lower the general Government, Ashford Board of Education and/or Capital projects budgets. (The Region 19 budget cannot be approved or lowered during this meeting as it is subject to a separate Region 19 referendum.) The Annual Budget meeting will adjourn to referendum to be held **May 25, 2021**. If the budget is not adopted at referendum by July 1, the last budget adopted by referendum shall remain in effect for the new fiscal year until a new budget is approved at referendum.
9. The level of control for all legally adopted budgets (the level at which expenditure may not legally exceed appropriations without Board of Finance and/or Town Meeting approval) is at the department level for the General Government portion of the General Fund. Budgetary transfers from one department to another within the General Government may be made by the Board of Finance. Transfers or new appropriations that exceed \$20,000 must be approved by consecutive actions of the Board of Selectmen, Board of Finance and a Town Meeting. The Ashford Board of Education and Region 19 Board of Education have full authority over transfers within their own budgets.
10. Except for encumbrance accounting in the General Fund, all budgets are prepared on the modified accrual basis of accounting. Encumbrance accounting, under which purchase orders, contracts, and other commitments are recorded in order to reserve that portion of the applicable appropriations, is employed as an extension of formal budgetary integration. Since the Town intends to honor contracts in process at year end, encumbrances outstanding as of June 30 are reported as reservations of fund balance, since they do not constitute expenditures or liabilities.
11. Unencumbered appropriations lapse at fiscal year-end, except for capital project budgets, which remain in effect until completion.

**TOWN OF ASHFORD**  
**FY 2021-2022 Capital Improvement Plan**

The 5-Year Capital Improvement Plan includes estimates and funding sources for work required to maintain and enhance the Town's infrastructure, and for one-time purchases/services over \$5,000. The plan is developed, maintained, and communicated by Ashford's Capital Improvement Committee, which is chaired by the First Selectman and comprised of representatives from the town's Boards of Selectman, Finance and Education; Volunteer Fire Department; Town Public Works and Building Departments; and the public.

**PUBLIC WORKS DEPARTMENT – ROAD RESURFACING (\$205,000)**

Town road maintenance, including grading, shimming, paving and chip sealing of Town paved and unpaved roads. Funding is offset by state aid in the form of LOCIP (\$50,263) and Town Aid Road (\$147,045).

**PUBLIC WORKS DEPARTMENT – MINI-EXCAVATOR (5-YEAR LEASE PURCHASE) (\$40,000)**

Lease purchase of a mini-excavator capable of over-the-road travel. Capable of assisting with downed-tree removal, heavy lifting, and will allow more efficient work on road-side storm drainage.

**REVALUATION -- (\$33,795)**

Second and last installment payment toward the purchase and implementation of the eQuality assessment system.

**ASHFORD VOLUNTEER FIRE DEPARTMENT – (\$74,250)**

Second installment of 5-year lease purchase agreement for fire truck ordered during FY 2020-2021.

**ASHFORD SCHOOL – (\$90,000)**

Purchase of 71-passenger school bus.

**ASHFORD SCHOOL – REPLACEMENT OF HEAT EXCHANGER (\$37,000)**

Replace steam to water boiler heat exchanger, which is obsolete and has exceeded its useful life. Vendor advises that it can no longer be serviced and must be replaced at next service failure. We anticipate this will be paid out of the Ashford School Unexpended Fund.

**ASHFORD SCHOOL – ROOF REPLACEMENT – PLANNING & DESIGN (\$25,000)**

School roof project planning costs preliminary to future bonded roof project. We anticipate that this will be paid out of the Ashford School Unexpended Fund.

**TOWN PROJECT – CADLE PROPERTY REMEDIATION – (\$275,000)**

This represents estimated costs for the remediation phase of the Cadle property project. The funding application has been submitted to the Department of Economic and Community Development for approval.

**TOWN PROJECT – ASHFORD MEMORIAL PARK PLAYScape (\$30,000)**

Second installment of 3-year lease purchase agreement.

**TOWN PROJECT – HVAC SYSTEM UPGRADE – TOWN OFFICE BUILDING (\$20,000)**

Upgrade of HVAC control system to Trane Tracer SC, a web-enabled building automation and system application control for HVAC subsystems.

**TOWN OF ASHFORD**  
**FY 2021-2022 Capital Improvement Plan**

**TOWN PROJECT – POMPEY HOLLOW PARK INFRASTRUCTURE (\$125,000)**

Restore infrastructure (sidewalks, curbing, drainage and paving) that were put in place in 1993 when the property (located off Route 44) was developed to serve Ashford's senior community and provide a venue for town gatherings and recreational activities. This project is supported by a Small Town Economic Assistance Program grant in the amount of \$125,000. As a condition of the grant award, the Town will absorb the costs associated with planning and engineering (\$5,000).
