

Town of Ashford Building Department

Swimming Pool Agreement:

In recognition of the serious safety issues associated with ownership and maintenance of swimming pools, I hereby agree:

1. To comply with all applicable laws and regulations including the latest adopted State Building Code, which includes the following items:
 - a. Barrier requirements, fences, gates, alarms etc.
 - b. Chapter 41 of the 2003 IRC
 - c. Model Energy Code – pool heaters, time clocks, pumps
 - d. 2017 National Electric code – as required.
 - e. C.G.S. 29-265 (a) water motion pool alarm (obtained prior to the issuance of the building permit)

2. The undersigned assumes responsibility for the location of the pool in relationship to the septic location – ten feet (10') away for an aboveground pool and twenty-five feet (25') away from an inground pool.
3. To provide and maintain a temporary barrier to limit access to the pool while the pool, deck permanent barrier, etc. is constructed.
4. To call the Ashford Building Department to schedule an electrical inspection prior to backfilling of conduit and all related pool electrical work as per Chapter 41 of the 2003 International Residential Code and or 2005 NEC.
5. To call the Ashford Building Department to schedule a final inspection upon completion of all code requirements at 860-487-4404.
6. Not to use the pool until a Certificate of Use has been issued. A Certificate of Use will be issued upon completion and inspection of all code requirements.

By filling out the following, I acknowledge that I have read, and I understand the above code requirements:
