#### **Old Business**

- b. Bicknell Scholarships – Jennifer Leszczynski said we have some incredible Ashford students going on in further education. It was a hard decision to make. The four scholarship winners are Alaycia Bovain, Rayann Knowlton, Grace Maines, and Trevor Wilson. The board congratulated the four winners and everyone who applied.

#### **New Business**

- a. Consider Request for International Travel
  - Superintendent Craig Creller: We have a request for our German exchange trip. We are expecting about 20 students to be interested in this trip. We have received deposits from 13 students already. Any travel that is longer than one day has to be approved by the board and the superintendent. It is a difficult decision only because of what is going on in the world right now with the pandemic and the war in Ukraine. We can get all but \$100 of our money back by 08/09/2022. After 08/09/2022, we would lose \$300 per student.
  - Principal Troy Hopkins: We just had a great visit from Einstein Gymnasium in Rheda-Wiedenbruck, Germany. We visited them in the fall of 2018 with 20 students, Dr. Imhoff, Mrs. Craven, and myself. That was the beginning of this program. They visited us the following spring, and then the pandemic hit. We also had Mrs. Podolski go over for a few weeks as part of a teacher exchange that we were starting, but the pandemic got in the way of that as well. We had 18 kids come over. They stayed with host families; several staff members and families hosted. They had a great time. One of the teachers co-taught rugby and cricket to the kids. We would love to be able to visit them again in the fall. We picked some dates out, November 8-21. We would probably send 2 or 3 teachers, depending on the number of kids. It is about \$700 per student. Some of them are applying for scholarships through the GAPP program. We also have money through the Dressman grant that supports international travel. The cost to the Board of Education is minimal. In the past, the district has provided an insurance rider, and there is a cost for substitutes to cover the teachers who go.

***MOTION made by Jane Urban to approve the request for international travel. Motion seconded by Marian Matthews and carried unanimously.***

#### **Discussion Concerning Superintendent's Performance Evaluation and Superintendent's Contract**

***MOTION made by Kim Kouatly to enter into executive session for discussion concerning superintendent's performance evaluation and superintendent's contract. Motion seconded by Marian Matthews and carried unanimously. Kim Kouatly amended the motion to include we anticipate inviting Superintendent Craig Creller into relevant portions of executive session. Amended motion seconded by Marian Matthews and carried unanimously.***

The board entered the executive session at 7:41 p.m. William Falletti left the executive session at 8:25 p.m. Craig Creller entered the executive session at 10:58 p.m. The board and Craig Creller left the executive session at 11:18 p.m.

**Discussion and Possible Action Concerning Adoption of Superintendent's Performance Evaluation**

***MOTION made by Kim Kouatly that the board authorize the board chair to finalize the superintendent evaluation for the 2021-2022 school year and issue it to him on 06/23/2022 without the need for further board discussion. Motion seconded by Marian Matthews and carried unanimously.***

**Discussion and Possible Action Concerning Superintendent's Contract**

- There is nothing to discuss at this time.

**Opportunity for Public Comment**

- Rachelle Beaulieu (Westford Rd.) – expressed her concern with the current school environment. She has removed her child until the situation is fixed. Rachelle doesn't know what needs to be done but wants the board to consider finding a solution to create a healthy learning environment.
- Alissa Tatro (Knowlton Hill Rd) – spoke that her personal experiences with Mr. Creller have been positive but the teachers have spoken. She spoke about her support of the teachers and staff and that she trusts them. Alissa spoke about the current issues with teacher burnout, but our teachers are leaving the district, not the profession. She wants the board to think about the children and how these teacher losses are affecting them.

**Adjournment**
